

MUBEEN YOUSAF

Frontend Developer | Shopify & React

Sultan Town, Lahore, Pakistan | +92 303 6994048 | mubeenyousaf577@gmail.com | [LinkedIn](#) | [GitHub](#)

PROFILE SUMMARY

Frontend developer with hands-on experience building responsive interfaces and custom Shopify storefronts using HTML, CSS, JavaScript, React.js and Liquid. I turn Figma designs into clean, production-ready code, build reusable theme sections, and tune pages for speed and cross-browser consistency. Completed a 3-month frontend internship and led the frontend of an AI-based final year project. Open to remote full-time roles and freelance work.

SKILLS

HTML5	CSS3	JavaScript (ES6+)	React.js	Shopify Development	Liquid
Responsive Layouts	Figma to Code	Git & GitHub	Performance Optimization		

WORK EXPERIENCE

Frontend Developer Intern

Fixelcloud

- Built responsive, interactive interfaces with HTML, CSS, JavaScript and Liquid for Shopify storefronts.
- Converted wireframes and Figma designs into clean, production-ready code in collaboration with design and development teams.
- Customized Shopify theme sections and frontend assets to improve load speed and cross-browser compatibility.
- Found, documented and fixed UI bugs, improving product quality and the user experience.
- Used Git and GitHub for version control and team collaboration.

KEY PROJECTS

Custom Shopify Store Development & Interactive Components

2026

- Wrote custom Liquid sections with schema settings so store owners can edit content from the theme editor.
- Built CSS keyframe animations, a sticky hero scroll feature, dynamic product sections and responsive UI components.

AI Flower Health Advisor – Frontend Lead (Final Year Project)

2025 – May 2026

- Led the frontend of a web app that detects plant diseases from uploaded images and shows the diagnosis with preventive measures.
- Gathered requirements and designed the user workflows for image upload, disease detection and advisory screens.
- Ran manual testing and bug tracking across features to keep navigation smooth and layouts responsive.

EDUCATION

BS in Information Technology

2022 – 2026

The Islamia University of Bahawalpur
